Reg. B

SIR With reference to Government Order No 10336-7/Edn 361-12-2 dated the 27th June 1913 about the contingent grant of this office I have the honour to forward herewith a statement of expenditure incurred under the above head up to the present date and the amount likely to be spent in the next two months of the year The present grant of Rs 300 is too inadequate to meet the growing demands of this office, as is evident from the statement enclosed

2 Out of the total grant of Rs 300 a sum of Rs 296 8-7 has already been spent and a further sum of Rs 200 is required to meet the contingent expenses for the remaining portion of the year I therefore request that Government may be pleased to sanction a sum of Rs 500 for contingent expenses of this office from 1914-15 and to authorize me to meet the excess expenditure required during the current year out of the savings under contingencies of the Commercial Section of the Chamarajendra Technical Institute Mysore

I have the honour to be
